About us

Welcome to Soneri International, a beacon of excellence in crafting premium rice and salt. At Soneri International, we blend timeless traditions with state-of-the-art processes, delivering products that resonate with authenticity and innovation.

Our unwavering commitment to quality begins at the source, where we meticulously select the finest ingredients to ensure each product bears the hallmark of excellence. Whether you're enriching your culinary creations with our exquisite rice or enhancing flavors with our pink rock salt, Soneri International is your trusted partner in elevating the art of cooking.

Driven by a passion for taste and a steadfast dedication to well-being, Soneri International transforms every meal into a memorable occasion. Join us on a journey where tradition harmonizes with taste, and let Soneri International be your premier choice for premium, wholesome, and versatile food products.

Embark on an adventure with Soneri International – where each grain narrates a story of quality, flavor, and innovation.

Our Mission

Soneri International embarks on a transformative journey, dedicated to pioneering the forefront of sustainable agriculture practices on a global scale.

Our mission is to redefine the rice industry by cultivating premium varieties through our unwavering commitment. From the nurturing fields to the meticulous production process, we aim to set the standard for excellence in the production of top-notch rice products.

In pursuit of this mission, we leverage cutting-edge technologies, emphasizing continuous research and development to enhance farming efficiency, product quality, and sustainability.

We prioritize high-quality farming methods that not only elevate the taste and nutritional profile of our products but also contribute to the overall advancement of the rice industry.

Our Vision

Quality Assurance:

Soneri International envisions setting industry benchmarks for meticulous standards throughout our production processes. Our commitment includes quality control measures from cultivation to packaging, ensuring that our customers experience the epitome of excellence in every grain.

Customer Satisfaction:

We aim to be synonymous with unparalleled customer satisfaction, exceeding expectations at every touchpoint. Our vision involves not only delivering premium rice products but also providing exceptional service, building lasting relationships with our customers based on trust, transparency, and responsiveness.

Sustainability:

While prioritizing quality and customer satisfaction, We remain steadfast in its commitment to environmental responsibility. Our vision includes integrating sustainable practices into our operations, minimizing waste, and adopting eco-friendly solutions without compromising the quality of our products.

Continuous Improvement:

Our commitment to excellence extends to a culture of continuous improvement. Soneri International envisions a dynamic organization that adapts to evolving trends, embraces feedback, and constantly evolves to meet and exceed the expectations of our customers in the realms of quality, satisfaction, and environmental responsibility.
